Patents Showing:  View as:  Patents **1 - 10** on **replay content on the external device**. (0.12 seconds)

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

**[APPLICATION]** [System, mobile information terminal, external device, method and program for ...](#)

US Pat. 10786368 - Filed Feb 26, 2004 - NEC CORPORATION

[0013] In this system, the **external device** with a small capacity cannot handle a ... 5 is a sequence diagram showing a **replay** of **content** data on an **external** ...

**[APPLICATION]** [Information delivery apparatus, information processing terminal, external ...](#)

US Pat. 10468699 - Filed Aug 21, 2003

... to store a downloaded **content** to an **external device** according to a **content** ...  
... to **replay** the **content**; a fifth level for permitting any **device** to **replay** ...

[Multi-threading for a processor utilizing a replay queue](#)

US Pat. 6385715 - Filed May 4, 2001 - Intel Corporation

The **replay** system includes a checker to determine whether each ... may then retrieve the data from an **external** memory **device** across an **external** bus which ...

[Programming system having means for recording and analyzing a patient's ...](#)

US Pat. 5509927 - Filed Feb 1, 1995 - Pacesetter, Inc.

In this case, the programmer would be used to **replay** the recorded signal to the **external device** while the values of the detection criteria parameters in the ...

[Programming system having means for recording and analyzing a patient's ...](#)

US Pat. 5421830 - Filed Aug 27, 1993 - Pacesetter, Inc.

In 'this case, the programmer would be nal cardiac stimulating **device** according to the princi- used to **replay** the recorded signal to the **external device** ...

**[APPLICATION]** [Electronic display device, electronic display method, electronic display ...](#)

US Pat. 11587270 - Filed Jul 25, 2005

[0054] The electronic display **device** 10 displays **content** obtained from an **external device** and **content** previously stored internally on the display screens 13 ...

**[APPLICATION]** [Electronic apparatus for wirelessly transmitting content data, and content ...](#)

US Pat. 10418568 - Filed Apr 17, 2003 - KABUSHIKI KAISHA TOSHIBA

... that wirelessly transmits **content** data such as audio to an **external device**, ... and headphones is suddenly disconnected during **replay** of music due to a ...

[System and method for searching and providing contents, and software storage ...](#)

US Pat. 6725215 - Filed May 14, 2001 - Sony Corporation

**External** devices compatible to IEEE 1394 may be connected to the IEEE 1394 ...

contents or instructions to **replay** the recorded contents in response to 45 ...

## User-programmable voice notification **device** for security alarm systems

US Pat. 5245694 - Filed Apr 29, 1991

A **device** as described in claim 1, or 8 wherein all **content** of said messages that

... A **device** as described in claims 1, 4 or 12 wherein said **replay** means is ...

# Apparatus and methods for conveying telephone numbers and other information ...

US Pat. 5651056 - Filed Jul 13, 1995

The phone I/O interface 450 includes input/output cir- To **replay** stored ...

in an **external device** such as **external** car systems such as the car's radio, ...
